

SMOKED & CHILLED SEAFOOD

We are delighted to offer a large selection of top-quality smoked fish, mainly from local producers such as the Severn and Wye Smokery. We also stock an impressive selection of other deli products, including seafood salad, salt cod, bottarga, fish eggs, caviar and rollmops. In addition to the range listed below, we buy regularly from Rungis Market, Paris, where we can source a vast range of items to order including fish soups, terrines and pâtés. Please ask our sales team for further details.
